

Hello, Parents!

If you're reading this, chances are you are considering sending your child with us to Falls Creek this year. We are excited to get back to camp this year, and we hope your student will come with us. Falls Creek is an awesome opportunity to learn about God through His Word while also having a great time with friends. Read on to find out what you can do to make sure camp this year is successful for your student!

# *Policies and Rules*

## *Medicine Policy*

If you are bringing prescription medicine to camp, follow these instructions:

- Put the medicine in a Ziploc bag with your (or your student's) name on it.
- Include a notecard or sheet of paper with any specific directions for the medicine.
- Turn your medicine in to the designated sponsor at camp check in.

We will have a designated sponsor that will be in charge of medicine throughout the week of camp. All students needing to take medicine will go to that sponsor to get their medicine as needed.

The only prescription meds students may keep with them are an emergency inhaler, epipen, or other similar emergency medicine.

DO NOT bring over the counter meds such as TUMS, TYLONOL, etc. These will be available among our first aid supplies, also to be dispensed by designated sponsors.

# *Phone Policy*

We have a phone checkout policy at camp. When we arrive, students must check in their phone. Phones will be stored in a secure location throughout the day. Every evening, after service (from 9-10pm), students can go to the designated sponsor and check out their phones. They will have an hour to call home or take pictures before they must check their phone back in. If parents need to contact their student during "non-phone" hours, they need to use the contact numbers provided in this packet.
